

GRAPHIC DESIGN LESSON

Teacher: Mr. Dupuis **Date:** Nov. 19, 2021 **Course:** BTT10 **Time:** 150m

Overall Expectation:

- ✓ Use desktop publishing software to create publications

Specific Expectations:

- ✓ Use desktop publishing features (e.g., templates, importing text and graphics, font, layout, styles) to enhance publications;
- ✓ Use desktop publishing software to design and create a variety of publications (e.g., card, invitation, flyer, newsletter) for specific purposes and audiences.

Excel/Ergonomics Quiz: (60 Mins)

- **Quiz will start at 8:30am. Quiz can be found on D2L in the “Quizzes” tab.**
- If students finish the quiz before 9:30AM, they may continue to work on their Excel IF Assignment and/or their Ergonomics Worksheet.

Minds-On Activity: (5 Mins)

- Ask the students about any advertisements they saw before coming to class in the morning.

Main Lesson: (85 Mins)

- Go through lesson content in Graphic Design PowerPoint found on D2L in today’s announcement or in the “Content” tab.
- Mr. Dupuis will then do a quick Canva tutorial before the assignment.
- After the completion of the PowerPoint, students will start the Ergonomics Flyer assignment found in today’s announcement on D2L. It can also be found in the “Content” tab on D2L. Flyer is marked out of 4+ (100 points).

Required Materials:

- ✓ Computers
- ✓ Lesson PowerPoint (D2L)
- ✓ Ergonomics Flyer Assignment (D2L)
